MAINE INSULIN SAFETY NET PROGRAM FOR SANOFI INSULINS

The Act to Create the Insulin Safety Net Program ("the Act"), effective as of March 1, 2022, mandates that insulin manufacturers create an Insulin Safety Net Program ("the Program") to provide Maine (ME) residents who meet all eligibility criteria with their insulin prescription at no cost. Sanofi is administering the ME Insulin Safety Net Program through Sanofi Patient Connection®, a patient assistance program that helps patients get access to their medications.

What are the eligibility criteria mandated by the Act?

In order to be eligible for this Program, ME requires you to meet the following requirements:

- You must be a resident of the State of Maine (ME) with a valid ME identification card that indicates ME residency in the form of an ME identification card, driver's license, or permit. If the individual is under the age of 18, the individual's parent or legal guardian shall provide proof of residency.
- You must not be enrolled in MaineCare.
- You must not be enrolled in prescription drug coverage through an individual or group health plan that limits the total amount of cost-sharing that an enrollee is required to pay for a 30-day supply of insulin, including copayments, deductibles, or coinsurance of $75 or less, regardless of the type or amount of insulin needed.
- You must have an annual household income of ≤400% of the current Federal Poverty Level.
- You must not be eligible to receive healthcare coverage through a federally funded program or receive prescription drug benefits through the United States Department of Veterans Affairs.
- If you are enrolled in Medicare Part D, in addition to the criteria above, you must also spend at least $1,000 on prescription drugs in the current calendar year.

How do I apply?

To apply for Patient Assistance Connection, all information must be complete and include the following:

Patient Information:

- Complete all relevant information on page 2, and sign and date the REQUIRED patient authorizations for HIPAA consent and income verification on page 2.

Healthcare Provider:

- Ask your HCP to mail, fax, or submit through the Provider Portal your completed application (only pages 2 and 3 are needed).

Provide proof of ME residency (copy of ME ID card, driver's license, or permit). If you are under 18, your parent or legal guardian needs to provide residency proof. Missing information may delay processing of your application. Your completed application should be submitted by your HCP via mail or fax, including your completed application and residency proof to:

Section 6. Authorization to Use and Disclose Health Information (REQUIRED)

***Patient:* Please read the following carefully, then date and sign where indicated in Section 1 on page 2.**

HIPAA Consent: I authorize my healthcare providers and staff; my health insurer, health plan, or programs that provide me health benefits (together, "Health Insurers") to disclose to, Sanofi US, its affiliated companies (ie, Sanofi Pasteur U.S. and Genzyme, a Sanofi Company), Sanofi Cares North America, and authorized third party agents involved in administration of this Program, (collectively "Program Sponsor"), health information about me, including information related to my medical condition, treatment, health insurance coverage, claims, prescriptions, and referral to and enrollment in this Program for purposes of determining my participation in, and administering, the Program, which may include contacting me as well as my doctor/healthcare provider, office/hospital staff, insurer (public/private) or others. I understand a representative from Sanofi may contact me for follow-up on any adverse event I may report regarding a Sanofi product. I authorize and consent to release of identifiable information about me including medical, financial and insurance records and information as required for participation in the Program. I understand that identifiable information about me will be kept confidential and will not be further used or disclosed except to administer the Program, or as required by law. I understand that information I authorize to be disclosed may be re-disclosed and is no longer protected by Federal privacy regulations. I agree that this authorization is voluntary and that I may refuse to sign this authorization. Refusal to sign will not affect my ability to obtain treatment but I will not be able to participate in this Program. Unless revoked, this authorization shall remain in effect throughout my participation in the Program, including subsequent reapplication as required. I may withdraw this authorization at any time by written notification to my doctor/healthcare provider; however, withdrawal of authorization will terminate my participation in this Program and will not affect information already disclosed under this Authorization. I understand that it is my responsibility to follow up with my prescriber or the Program to make sure that my re-orders, as appropriate, are requested in a timely manner by my healthcare provider so I do not run out of medication. I understand that Sanofi US and Sanofi Cares North America reserve the right at any time and without notice to modify or change eligibility criteria or discontinue this Program. I understand that I may withdraw (take back) this Authorization at any time by calling 1.888.847.4877.

Section 7. Income Verification (REQUIRED)

***Patient:* Please read the following carefully, then date and sign where indicated in Section 1 on page 2.**

Income Verification: I authorize Sanofi Patient Connection (SPC) under the Fair Credit Reporting Act to use my demographic information to access reports on my individual credit history from consumer reporting agencies. I understand that, upon request, SPC will tell me whether an individual consumer report was requested and the name and address of the agency that furnished it. I further understand and authorize SPC to use any consumer reports about me and information collected from me, along with other information they obtain from public and other sources, to estimate my income in conjunction with the Patient Assistance Program eligibility determination process, if applicable. I further understand that no free product may be submitted for reimbursement to any payer, including Medicare and Medicaid; and no free product may be sold, traded, or distributed for sale. If approved for the SPC Patient Assistance Program, I will not seek to have the value of any medication provided to me under this program counted toward my true-out-of-pocket (TrOOP) cost for prescription drugs for my Medicare Part D Plan. Continuation in the SPC Patient Assistance Program is conditioned upon timely verification of income. In addition, I agree to notify SPC if my insurance situation changes.
