PATIENT ASSISTANCE CONNECTION
Provides certain Sanofi prescription medications at no cost to patients who meet program eligibility requirements. This component of the program is made possible through Sanofi Cares North America.

Eligibility Requirements include¹:
- Patient must be a resident of the U.S. or U.S. Territories and be under the care of a licensed healthcare provider authorized to prescribe, dispense and administer medicine in the U.S. or U.S. territories
- Patient must either have:
  - no insurance coverage or,
  - have commercial insurance but no coverage or access to the prescribed product or treatment
  - has Medicare Part D insurance and meets the FPL criteria
- Patient must have an annual household income of ≤400% of the current Federal Poverty Level².

If patient may be eligible for Medicaid, they will be required to provide documentation of Medicaid denial before being assessed for patient assistance eligibility

See application for complete details by visiting www.sanofipatientconnection.com

¹ See program application for a complete list of eligibility criteria and application directions
² To assess current FPL SPC Tab, visit: http://aspe.hhs.gov

RESOURCE CONNECTION
Helps identify additional resources and support for program patients as appropriate, including:

- Clinical Support Services
- Nutritional Supplements (groceries, food banks, etc.)
- Transportation Information
- Health Product Supplies
- Sharp Support Service
- Home Care Services Support (shelter, utilities, etc.)
